

AC-49 CITRUS DEGREASER

High performance biodegradable quick breaking degreaser
Effective for all commercial, industrial & auto applications

Use - AC-49 is ideal for just about any required application on land or sea. Not dangerous or hazardous yet a very powerful cleaner.

PRODUCT INFORMATION

AC-49 has been formulated using naturally derived d'limonene (from orange citrus oil) and the latest high performance biodegradable surfactants. In today's world where consumers are aware of the impact of products on the environment this product provides excellent cleaning and degreasing results while having no harmful effects on the natural environment. Ideal for use in sensitive areas such as offices, amenities, inside vehicles, yet tough enough to degrease engine bays and remove heavy dirt and grime from floors. This product leaves a fresh citrus aroma and no residue after cleaning.

Recommended dilutions

Heavy soils Use undiluted Light soils Dilute 1:10
 Medium soils Dilute 1:4 Pressure washers 1:100

Quick Break Characteristic

AC-49 is a Quick Break degreaser suitable for the plant and infrastructure where quick breaking products are needed.

Oil & Water pre-addition of AC-49

Oil, water & 10mL of AC-49 shaken vigorously

After 10 mins the oil and water form distinct separate layers

TYPICAL PROPERTIES

Appearance:	Yellow Translucent Liquid	Boiling Point:	100 - 110°C
Odour:	Sweet Citrus Odour	Solubility:	Soluble
pH:	8.0 - 9.0	ADG Code:	<i>Not a Dangerous Good</i>
Flammable:	Non flammable	Spec. Gravity:	0.98 - 1.02
Melting Point:	<i>Not applicable</i>
