## Synthetic Unitran HiVis MVP ATF

### Product Description

**Synthetic Unitran HiVis MVP ATF** is manufactured to meet Multi-Vehicle OEM specifications from premium quality synthetic base oils blended with a specifically balanced additive combination to provide high oxidation stability, excellent foam resistance, corrosion and wear protection, and heat resistance. This complex fluid is also compounded with a friction-modifying additive to provide smooth lock-up of clutches without chatter.

**Synthetic Unitran HiVis MVP ATF** is a multi-purpose fluid that meets and exceeds current original equipment manufacturers specifications for automatic transmission fluids, including some of the latest OEM specifications as specified by GM, Ford, Chrysler, Toyota, Mitsubishi and others.
